Invitation to the International Leo Youth Camp for Blinds 2018

Dear Sir or Madam,

Please take note of an event in the upcoming summer of 2018: the International Leo Youth Camp for Blinds.

The International Leo Youth Camp has been organized by Leo volunteers from Northern Germany every second summer over the past 20 years.

The Leo-Club is an organization of young adults (18-30 years) who are committed in community service. Under the patronage of Lions Club International we attend to projects in our local communities as well as in whole Germany, Europe and worldwide. Please visit www.leo-clubs.de for further information.

Every second year the camp takes place in Northern Germany next to the Baltic Sea. We invite blind and partially blind young people (18-25 years) to visit Northern Germany. The participants have the chance to spend an exciting time in Germany and also make friends with young people from all over Europe. We try to offer a lot of extraordinary activities such as dragon boating, horseback riding, visiting a climbing crag and even car driving. We pieced together some impressions from the past camps and further information in our flyer. We are looking forward to spend a wonderful summer with young people from all over Europe in Northern Germany!

Please do not hesitate to contact us for further information: blindencamp@leo-club-luebeck.de.
