

## 28<sup>th</sup> International Conference on Insights in Ophthalmology

Date: April 18-19, 2019 Rome, Italy

Theme: “Eye to the Future: Ophthalmology Compensation Trends”

Being successful in the previous 2 conferences in the series, Ophthalmology Summit 2017 in London, United Kingdom, Ophthalmology Summit 2018 in Berlin, Germany, this year we are moving forward with the 3rd meeting in the series, CME accredited Ophthalmology Summit 2019 in the city of history and monuments, ROME, ITALY. The conference will be held in the first quarter of the year during April 18-19, 2019.

Ophthalmology Summit 2019 has a great scholarly Scientific Program with 2 days of methodical sessions. This Ophthalmology Congress Program Board has agreed on a broad topic list to be presented at the congress. This programme will feature new research findings, chances to learn from world famous connoisseurs and discussions with contemporaries and aristocrats.

We cordially welcome eminent Ophthalmologists, Ophthalmic surgeons, researchers, professors, scientists, nurses, medical students and business professionals to discuss about Clinical Ophthalmology, Eye Diseases, Pediatric Ophthalmology, Neuro-Ophthalmology, , Ophthalmic Optics / Optometry, Ophthalmology Practice, Cataract Surgery, Age-related Macular Degeneration and so on, within a single platform for a transitory yet an strong time period for their sharing of knowledge amongst themselves.

For more details, please visit: <https://ophthalmology.insightconferences.com/>
