

## **Education-Aiming for Excellence**

### **ICEVI European Conference, 14-18 August, 2005-04-20**

The 5<sup>th</sup> European conference of the International Council for Education of People with Visual Impairment (ICEVI) will be held this year in Chemnitz, Germany. The task of this conference is to establish a baseline of good practice for professionals in all countries based on cooperation with parents. The conference offers an opportunity to get informed about latest developments, exchange experiences and network with colleagues from all over Europe. Topics to be covered are: Assessment, Low Vision, Mobility and Daily Living, Professional Enhancement, Families of VI Children, Technology and Social Competence. Registration forms and more information are available from the website: [www.icevi2005.de/](http://www.icevi2005.de/)
