

**Save the Date !**  
**Online Regional Meeting of the French Speaking Countries &  
Webinar Visual Impairment: Between Science and Society**

For French-Speaking member countries of ICEVI-Europe, a webinar is being organized, open to all (members and non-members), in collaboration with INSEI (Suresnes) and the University of Geneva.

**Tuesday, April 8, 2025 from 6 p.m. to 8 p.m. Paris Time**

**Proposed Agenda of the Online Regional Meeting & Webinar:**

1. Opening and welcome
2. Short acquaintance. If possible, it depends on the number of participants
3. Sharing information about the development in the countries:  
Some new features in France, Belgium and Switzerland with a focus on *The International Review on Visual Impairment and the MOOC Visual Impairment: Understanding and Acting for Inclusion* initiated by the University of Geneva.
4. **Edouard Gentaz**, Professor at the University of Geneva and **Dannyelle Valente**, Lecturer-Researcher at the University of Lumière-Lyon 2 and the University of Geneva  
**Visual Impairment: Between Science and Society**. Conference followed by questions.
5. Nomination of ICEVI-Europe Board Member and National Representatives
6. The use of Newsletter and Website of ICEVI-Europe
7. Suggestions of points of interest for the Board of ICEVI-Europe or for Regional Conferences
8. Suggestions for joint projects/actions and collaborations within and across regions.
9. Closing
